

# Home on the Hill Supportive Housing Services

## Vision's charitable partner

Home on the Hill is a Charitable Organization founded by the families of people with serious mental illness.

They serve individuals who have severe and persistent illness, and their families, supporting them with housing services, recreation therapy, art programs, caregiver support services, peer support, and mental health advocacy.

Home on the Hill supports a living space and safe environment for adults with serious mental illness, providing rehabilitative services to the tenants and clients who live in the community of Richmond Hill, ON.

“We believe in treating individuals with dignity, respect, and we foster independence using therapeutic recreation and art, social supportive housing, and community integration.”
